PRESIDENT'S REPORT

The Jameson Best Ball Championship is upon us. I know that the Rules Sheet has been set up by Gary and Pat and prepared by the Pro Shop and is ready to go. Carl Aery, however, has advised that he simply cannot participate from the White Tees and therefore has not signed up.

Further, this may also be true for some of our other members. When I reviewed the rules last week, the White Tee idea was quite acceptable. Today I am not so sure. On one hand I do not want to open it up to the multiple tee concept. On the other, I can understand Carl's point. As a very loyal supporter, I'd like to find a way to accommodate him. I would like to consider the subject.

SECRETARY

The minutes of the February and March Meeting Minutes have been posted on our website. I trust that they have been appropriately reviewed. Are there any comments, corrections, or additions? If not may we have a motion and second to approve them.

I will be at the meeting, but approximately 30 minutes late.

TREASURER'S REPORT

We do have a Social coming up on Sunday. It will be interesting to see how much we have in the account.

GREEN SHEET REPORT

It appears that we are now at a point where half, or more of the Green Sheets could be distributed by e-mail. Agreed, not all members have e-mail. Some may have it, but still want to receive their Green Sheets by mail. At \$0.37 a pop for postage alone, there is a significant savings over the year. I think we should move in this direction. Let's consider it.

Suggest we discuss tournament credit for participation in City Amateur. Participation has given FEGC great coverage and credibility the past couple years due to our success rate. - Tilden
